

ALLERGEN INFORMATION GUIDE

Updated 1st January 2026

INTRODUCTION

Every effort is made by El Mexicana and its colleagues to meet EU Allergen requirements and fully support our customer's information needs.

The allergen data we provide is based on recipe information and supplier specifications. However, within our kitchens we do use ingredients containing the following major allergens:

- **Gluten**
- **Eggs**
- **Fish**
- **Soybean**
- **Milk**
- **Nuts**
- **Celery**
- **Mustard**
- **Sulphur Dioxide**

From time to time may use other ingredients that have:

- **Crustaceans**
- **Peanuts**
- **Sesame Seed**
- **Lupin**
- **Molluscs**

It is impossible for us to fully guarantee the separation of these items in storage, preparation or cooking, however, we make every effort to do so.

Gluten ingredients which are deep-fried will use the same fryers in our kitchens as dishes not containing these ingredients and whilst there may be minimal risk of cross-contamination we cannot totally guarantee the absence of wheat or gluten, which may, therefore, affect extremely sensitive sufferers.

Please ask your restaurant host to confirm any items you are concerned about.

GUIDANCE ON USING THE ALLERGEN DATA:

FROZEN MARGARITAS	No Allergen is known to be present when preparing this product. However, Slush Ice Drinks can contain glycerol as a substitute for sugar, at a level required to create the 'slush' effect. At this level, <u>we recommend that children four years of age and under not consume these drinks</u> due to their potential to cause side effects such as headaches and sickness, particularly when consumed in excess.
